PROFILE SUMMARY

Aiming for a **SWE intern role** in a reputable organization where I can utilize my skills, expand my knowledge and grow professionally, while continuously acquiring new skills and learning new technologies to improve my performance and contribute innovative solutions.

EDUCATION

VIT-AP Current CGPA: 8.85	B. Tech in Computer Science	Amravati, Andhra Pradesh Expected Graduation, May 2026
Narayana college Percentage: 91.1	II PUC	Bengaluru, Karnataka Year of graduation: 2022

PROJECTS

Hotel Booking Application

Developed a hotel booking application for **NGC club** in the college, allowing users to search for hotels, make bookings, and manage reservations. Implemented features such as user authentication and real-time availability.

- **Contribution:** As the **team lead**, coordinated the tasks and facilitated **effective communication** among the team members. **Developed** a responsive user interface using **React** and styled components with **Bootstrap**. Managed the backend with **Node.js** and **Express.js**, **MongoDB** was used for the database.

Project Management Application

- Completed the MERN full stack certification course that included a group project focused on developing a project management application. Collaborated with team members to design and implement features for task management, scheduling, and team collaboration.
- Here I got to learn many new techniques and implementations through the mistakes I have made while developing the project.
- **Contribution:** designed react components using HTML, CSS and Bootstrap.

Eisenhower Matrix Productivity App [GitHub Link](#)

Built a minimal productivity app to organize tasks by urgency and importance using the Eisenhower Matrix.

- Supported **Local Mode** (offline, browser storage) and **Cloud Mode** (Google login with cloud sync)
- Implemented quadrant-based task management and **Dark Mode**
- **Tech stack:** React, Node.js, Express.js, MongoDB, OAuth 2.0

CERTIFICATIONS

1. Completed the certification course of **MERN full stack** offered by Ethnus (June 2024 - July 2024)
2. AWS Academy Graduate - AWS Academy Cloud Foundations
3. AWS Academy Graduate - AWS Academy Cloud Architecting
4. **DSA Course** offered by learnyard.com (1-Jan-2024)
5. Certificate of appreciation for completion **Web Development** as CSI SPM WEB member at CSI Chapter Vit-AP(Sept 2022)

ACHIEVEMENTS

Led the Tech Web Team in NGC Club: successfully **led the team** in the development and completion of a **web-based project**.

SKILLS

Programming Languages: Java, JavaScript

Web Development: MERN Stack

Database management: MySQL, MongoDB

Cloud Computing: AWS Cloud Architect

Languages: English, Hindi, Telugu, Kannada
